PART A. COPYRIGHT TRANSFER

The undersigned, desiring to publish the above paper in the Proceedings of the International Cryocooler Conference, hereby certify that the paper has not been submitted for publication elsewhere in substantially the same form, and transfer copyright to the International Cryocooler Conference, Inc. (ICC).

Returned rights: In return for these rights, the International Cryocooler Conference (the Publisher) hereby grants to the above authors, and the employers for whom the work was performed, the following "Author's rights":

- All proprietary rights other than copyrights, such as patent rights.
- Rights to reuse all or portions of the above paper in other works.
- Rights to reproduce and openly distribute the above paper, either as hard copy or electronic copy, provided that: (a) the source and the Publisher's copyright is indicated, (b) the copies are not used in any way that implies the Publisher's endorsement of the product or service of the employer, and (c) the copies per se are not offered for sale.
- In the case of work performed under U.S. Government contract, the Publisher grants the U.S. Government, and others acting on its behalf, royalty-free, nonexclusive, irrevocable, worldwide license to publish, distribute, copy, or exhibit all or portions of the above paper in either printed or electronic form, and to authorize others to do so for U.S. Government purposes.

In the event the above paper is not accepted and published by the International Cryocooler Conference, or is withdrawn by the author(s) before acceptance by the Publisher, this agreement becomes null and void.
